

Serendipity Preschool

2025/2026 school year

Welcome to Serendipity Preschool!

Serendipity Preschool strives to create an environment that stimulates all developmental areas of learning, where your child can grow and develop at his or her own unique pace. We will provide a wide variety of learning experiences that will promote independence, decision-making, and awareness of the world and its possibilities.

This will be accomplished by using monthly themes that will incorporate structured group activities, constructive play, art, music, stories, exploration, and discovery.

We are committed to assisting your preschooler to develop cognitively, physically, socially, and emotionally, so that his or her learning experience is effective, fun, and a positive first experience in formal education.

Serendipity Preschool is pleased to continue participating in the Universal Prekindergarten Program. Our school offers the maximum number of hours allowed by the state, which is 15 hours per week. Please visit UPK.colorado.gov to learn more about this program.

We are also happy to announce that we are now part of the Colorado Child Care Assistance Program (CCCAP). To apply, please go to <https://cdec.colorado.gov/>

Please note: Children must be potty trained to attend our program. We understand that children at this age are still learning, so occasional accidents are expected and handled with understanding and care.
